SPECIFICATION & FEATURES

Catalog #:	02/10/2016
Project:	Type:
Prepared By:	

DESCRIPTION

The TAFLLAM floodlight is a versatile unit with multiple mounting options that satisfies many of your lighting applications. The TAFLLAM amber colored light fixture is designed so the color is safer for marine life. The body is coated with a special finish to protect against salt water.

HOUSING

Die cast metal housing
 Specular aluminum back reflector creating a 160° beam spread
 Special coating to protect from harsh salt water areas

LENS

Amber colored tempered glass lens

ELECTRICAL DETAILS

120-277V operation

LEDs

10W LED chips are rated for a 50,000 hour lifespan and produce 850 lumens
 LED light source does not attract most insects

MOUNTING

Weatherproof mounting canopy with 3 1/2" knockouts

ACCESSORIES

6' power cord included to allow versatility in many installation applications

LISTINGS/RATINGS/COMPLIANCE

Fixtures are UL listed and suitable for wet locations.

Fixtures are IP65 rated: protected from dust ingress and liquid projected from a 6.3mm nozzle against the enclosure from any direction.

WARRANTY

Guaranteed one year from the purchase date of the product, against mechanical defects in manufacturing.

NOTES

Product performance may vary depending on model and end user environment.
