SERIES SPECIFICATIONS

The TALRT16KIT-CWG2 includes everything needed to bring white color options to any job or installation. Cool white color ribbon tape will allow you to create the perfect ambience to suit any mood desired. The 16' spool can be cut & spliced every 3 inches on clearly marked cut points to create custom lengths for your installation needs. Splice connectors included will allow you to add angles and jump gaps. Each kit also includes end caps and heat shrink tubes that will reseal the tape to maintain the integrity of the IP65 rating. This kit provides a basic and easy way to change the overall feel and ambience of any space or project.
