LSR-1HL

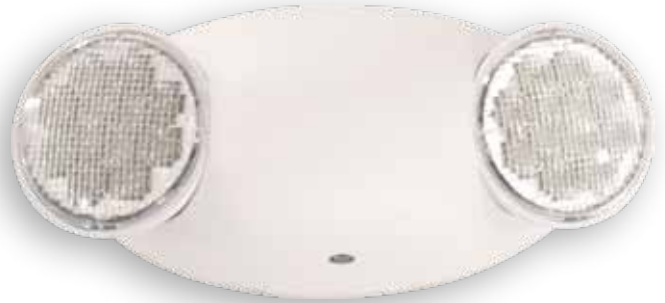

LED High Lumen Mini Thermoplastic Emergency Light
LED (2 heads)

DESCRIPTION

The LSR-1HL is a thermoplastic LED emergency light that utilizes fully adjustable high lumen LED heads, long life and environmentally friendly Ni-Cad battery in an easy to install fixture design.

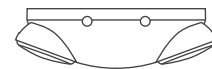

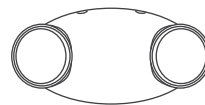

FEATURES

- Injection-molded, 5VA flame retardant, high impact, thermoplastic housing
- Labor saving fixture design with an easy snap-fit backplate
- 2 round, fully adjustable high-lumen LED heads
- Environmentally friendly Ni-Cad battery
- High-performance chrome-plated metalized reflector with optimal light distribution polycarbonate lens
- Test switch and AC power indicator light
- Suitable for wall or ceiling mount
- Dual voltage for 120 or 277V operation
- Meets NFPA101, NEC, OSHA, most local and state codes
- UL listed, suitable for damp locations
