## TM102A-BK/BK

### SERIES SPECIFICATIONS

The TM102A-BK/BK is a 6" air tight cone baffle trim featuring a sleek black baffle and matching black trim ring. The air tight construction helps minimize airflow between conditioned and unconditioned spaces, supporting improved energy efficiency.

#### Lamp Compatibility

IC: BR40 - 90W / BR/PAR30 - 75W Max.

Non-IC: BR40/PAR38 - 100W Max.

#### Can Compatibility

IC206ATQ

IC206ATQF

TRRIC206ATQ-FR

#### Construction

Self-flange with pre-installed gasket

#### Mounting

Torsion mount installation
