TCOTR4IBZ

SERIES SPECIFICATIONS

The Tamlite Lighting TCOTR4IBZ Tenon Adapter offers a reliable solution for round poles, ensuring a secure and stable installation for outdoor lighting fixtures. With its robust steel construction and superior powder-coated finish, this adapter provides exceptional durability and corrosion resistance, ideal for both commercial and residential settings. Easy installation and a perfect fit make the Tamlite TCOTR4IBZ an essential component for upgrading or setting up new lighting systems, capable of withstanding the rigors of any environment.
